CORNWALL COUNTY COUNCIL.

*Urban District of Padstow and Rural District of
St. Germans.*

NOTICE is hereby given that the draft maps and statements showing all public rights of way in the Urban District of Padstow and the Rural District of St. Germans which subsisted or are reasonably alleged to have subsisted on the 1st October, 1956, have now been prepared and are available for inspection at my office at the County Hall, Truro.

Copies of the relevant draft maps and statements relating to each of the above-mentioned areas are also available for inspection at the offices of the local authorities for those areas, and extracts relating to each Parish in the Rural District of St. Germans are available for inspection in those Parishes by arrangement with the Parish Clerk or the Chairman of the Parish Meeting.

Representations or objections in respect of the draft maps and statements may be made at any time during the period ending on the 31st March, 1957. Such representations or objections must be in writing, addressed to the Clerk of the County Council, County Hall, Truro, and must state the grounds on which they are made.

A representation or objection that an additional path (or paths) subsists, should state the points between which it is alleged to subsist, and define the route.

It will greatly help all concerned if representations or objections regarding more than one path are made on separate sheets of paper headed with the name of the local authority, and followed (where there is objection to a path shown on the draft map) by the number on the map against the path in question.
